THE HISTORY OF THE UNITED STATES

The United States of America was founded on the 4th of July, 1776. It is a country of many states, each with its own government, but all united under one national government. The first President was George Washington. The country has a long history of freedom and democracy. It has fought many wars, but it has always stood for the rights of all people. The United States is a land of opportunity and hope for all who come to it.

THE CONSTITUTION

The Constitution is the supreme law of the United States. It sets out the structure of the government and the rights of the people. It was written by the Framers in 1787. The Constitution is divided into three parts: the Preamble, the Articles, and the Amendments. The Preamble states the purpose of the government. The Articles describe the powers of the three branches of government: the Executive, the Legislative, and the Judicial. The Amendments are changes to the original Constitution. The most famous is the Bill of Rights, which guarantees the rights of the people. The Constitution is a living document that has been adapted to the needs of the country over time.

ВЫБИРАЕМ БЕЗОПАСНЫЕ НОЖНИЦЫ

Прежде чем приступить к работе, необходимо приобрести «правильные» ножницы. Для детского творчества существуют специальные безопасные модели. Они легкие и удобные, кончики режущих кромок закруглены, чтобы ребенок в процессе работы не поранился. Есть ножницы с закрытыми пластиком лезвиями. Для совсем маленьких существуют ножницы с пластиковой пружиной на рукоятке, которая облегчает резание. В зависимости от положения пружины — ножницы могут закрываться до конца (как обычные ножницы) или не полностью для безопасности во время работы. Независимо от того, с какого возраста начинаете учить ребенка работать с ножницами, сразу объясните правила безопасности.
